Glyphicons

Bootstrap includes 260 glyphs from the Glyphicon Halflings set. Glyphicons Halflings are normally not available for free, but their creator has made them available for Bootstrap free of cost. As a thank you, you should include a link back to [Glyphicons \(http://glyphicon.com/\)](http://glyphicon.com/) whenever possible.

Use glyphicons in text, buttons, toolbars, navigation, or forms:
